

Alleyway Set-up

- Alleyway design is critical to the optimal use of GreenFeed.
- The Alleyway needs to (a) allow one animal only, (b) Long enough to protect hind-end

OK

Wrong

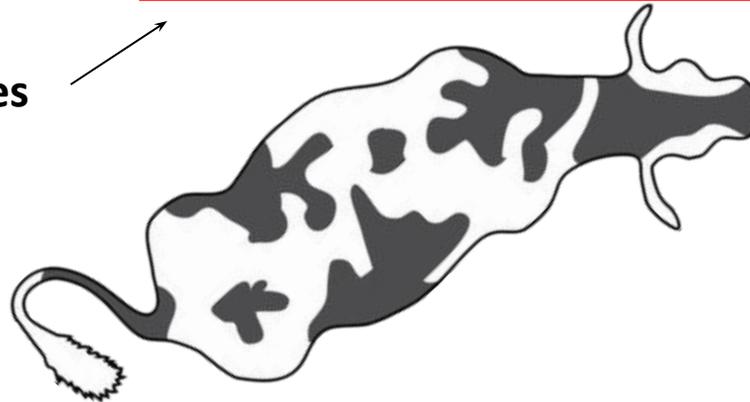

If Animals Can Access the Alleyway from Sides, Cover Sides (Option)

OK

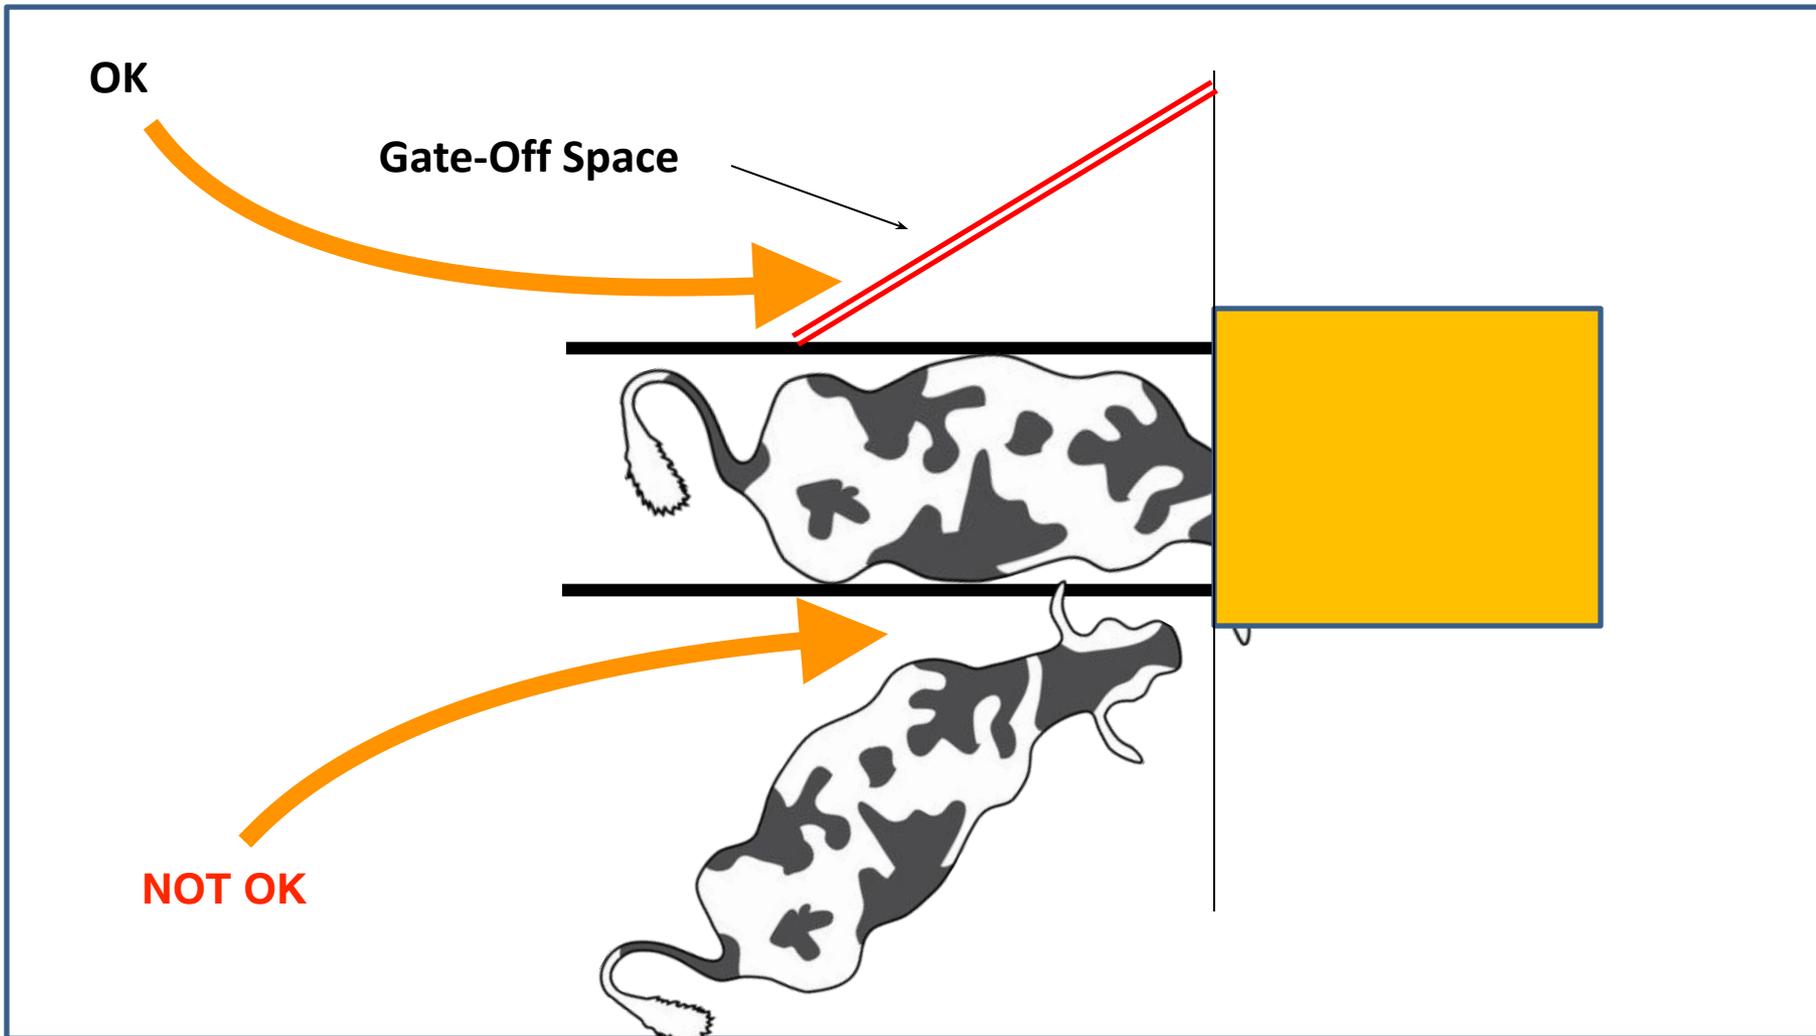

Cover Sides

Cover Sides

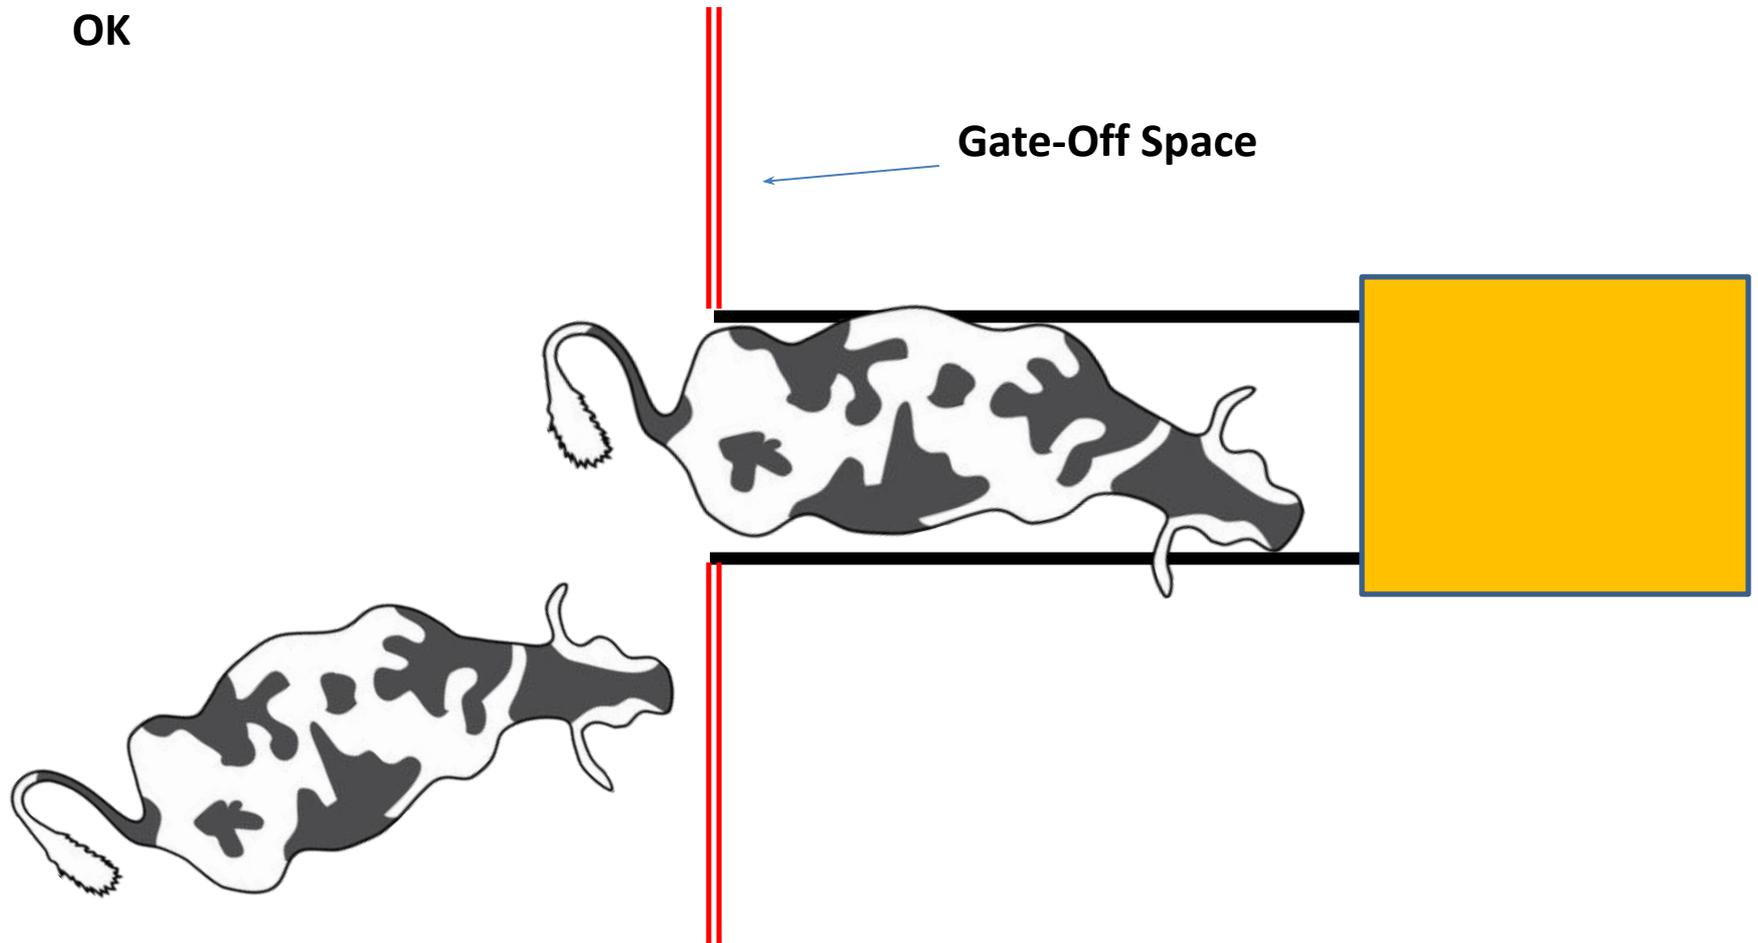

If Animals Can Access the Alleyway from Sides, Gate-Off Sides (Option)

Another Option for Alleyway

OK
